

# SACRED FORMS

## Transformational Sessions with Mana and the Sacred Forms May 25 - 31 2009 ~At Full Bloomed Lotus

**Mana**, visionary artist/healer from Kauai, has been traveling the planet guiding and sharing his work and transmissions with the Sacred Forms for many years and we are joyful to have him back in Chicago for a summer visit.

Mana weaves a unique blend of modalities and a highly evolved meditation practice into a dynamic transformational therapy. He has developed a **holographic energy release** technique, which allows clients to free restrictive patterns within the body, mind and spirit ~ releasing them at the core level and **facilitating a profound connection with Divinity**. He combines powerful energetic patterns of **Sacred Geometry**, along with **masterful physical and emotional clearing work**, realized thru meditation and extensive training. Mana's sessions **empower the client's inherent abilities for healing, self realization and revelation**.
